Your week of simple meals

This plan gives you two calm meals a day and one snack. Every recipe uses ingredients from a normal supermarket, and each card lists exact amounts so you can shop once and cook twice.

How to use the cards

Pick one breakfast and one lunch. Weigh rice and pasta after cooking, and oats before cooking. Swap any vegetable for another one you like.

Drink about 2 liters

Water, plain tea or coffee without sugar. Add a glass for every hour of exercise.
